

NAWASI AL SHARQ

Build the Future with Strength & Trust.

2026

مؤسسة نواصي الشرق للمقاولات

نواصي الشرق.. نعتلي قمم الإنجاز ونبني مستقبل العمران.

من نحن

تعد شركة نواصي الشرق للمقاولات صرحاً وطنياً متخصصاً في قطاع التشييد والبناء، حيث انطلقنا برؤية واضحة تهدف إلى إرساء معايير جديدة من الجودة والابتكار في العمران. نحن لا نبني مجرد هياكل خرسانية، بل نشيد شراكات مستدامة مع عملائنا عبر تقديم حلول هندسية متكاملة تدمج بين الأصالة في التنفيذ والتقنيات الحديثة، ملتزمين بالدقة في المواعيد والتميز في المخرجات.

NAWASI AL SHARQ

Build the Future with Strength & Trust.

رؤيتنا

أن نكون القوة الرائدة والمنافسة في قطاع المقاولات والإنشاءات على مستوى المملكة العربية السعودية، عبر تقديم نماذج عمرانية مبتكرة تساهم في صياغة مستقبل النهضة العمرانية الوطنية، لنصبح الاسم الأول الذي يتبادر للأذهان عند البحث عن الثقة والتميز الهندسي.

بدايتنا

انطلقت رحلة نواصي الشرق للمقاولات من رؤية طموحة تهدف إلى وضع بصمة فارقة في عالم البناء والتشييد. بدأت قصتنا بخطوات مدروسة ومجموعة صغيرة من الكفاءات المؤمنة بأن الإتيان هو مفتاح الاستدامة. ومنذ المشروع الأول، وضعنا نصب أعيننا أن نكون جزءاً من النهضة العمرانية للمملكة، لنكبر يوماً بعد يوم مع كل حجر نضعه وكل صرح نُعليه، حتى أصبحنا اليوم اسماً يُشار إليه بالبنان في الدقة والموثوقية.

مهمتنا

تقديم خدمات إنشائية وهندسية متكاملة تتسم بالجودة الفائقة والابتكار، مع الالتزام الصارم بمعايير السلامة والجداول الزمنية. نحن نسعى لتمكين عملائنا من تحقيق تطلعاتهم العمرانية من خلال تسخير أفضل الكوادر البشرية وأحدث التقنيات التقنية، لتكون الركيزة الأساسية في بناء مجتمعاتنا.

رسالتنا للعملاء

في نواحي الشرق، نؤمن بأن الثقة لا تُمنح بل تُبنى، تماماً كالصروح التي نشيدها. رسالتنا لكم هي الالتزام المطلق بتحويل رؤاكم إلى واقع ملموس، مع مراعاة أدق التفاصيل التي تضمن لكم الجودة والاستدامة، لنكون دائماً الشريك الذي تعتمدون عليه في مسيرتكم العمرانية.

AKREM ABDULKADIR SHERIF
Construction Site Supervisor / Structural & Site Drafting Support
+966 531617860 aisherrifakrem@gmail.com

Construction professional with 15+ years of experience in residential, commercial, and infrastructure projects in Saudi Arabia, including NHC government housing projects. Strong background in structural supervision, site execution, concrete works, BBS, EPS & sandwich panel systems. Skilled in reading drawings and preparing basic AutoCAD/site sketches. Experienced in supporting Project Managers, coordinating subcontractors, and ensuring quality, safety, and timely delivery on site.

EXPERIENCE

Project Manager – Alm Altameer Al-Mutaqadima contracting.
(NHC Murcia Housing Project), Riyadh, KSA
July 2025 – December 2025

- Managed the construction of 7-story residential buildings under the NHC Murcia Housing Project (government project via Alm Altameer), covering all sub-structural and structural works.
- Supervised excavation, foundations, steel reinforcement, formwork, shuttering, and concrete works, ensuring full readiness before inspections and pours.
- Coordinated daily site operations with engineers, subcontractors, supervisors, and labor teams to maintain productivity and schedule compliance.
- Coordinated concrete pouring activities, ensuring approvals from QC, inspection clearance, and compliance with approved method statements.
- Monitored quality control, safety compliance, and work progress in accordance with NHC standards and specifications.

Site Supervisor – BADAEL Gen. Cont. Est. Jubail, KSA
March 2021 – January 2025

- Supervised daily site operations and wall construction with sandwich panels and EPS polystyrene cladding.
- Reviewed plans and specifications to ensure safety and quality compliance.
- Managed teams of engineers and laborers for efficient project execution.
- Prepared project drawings using AutoCAD and supervised all structural and finishing works.
- Prepared steel structure sketches and full AutoCAD construction drawings using beams, steel tubes, and sandwich panel systems for residential building systems.
- Directed reinforcement, formwork, concrete pouring, and steel-cutting schedules.

Site Supervisor – PETRAM
Real Estate Company
Aldis Ababa, Ethiopia.
Feb. 2009 – Jan. 2011

- Supervised daily activities of villa projects.
- Reviewed and prepared bar bending schedules (BBS), steel cutting lists, shop drawings, and structural details.

EXPERIENCE LETTER

Date: 01-Dec-2025

To Whom It May Concern,

This is to certify that **Eng. Akrem Abdulkadir** is employed with **Alm Altameer Al-Mutaqadima Cont. Est.** as a **Project Manager** and is currently assigned to the **Murcia Project (NHC)** in Riyadh.

Eng. Akrem is responsible for managing the construction of two (2) residential buildings, each 7 stories, and his key duties and responsibilities include:

- Managing all substructure, superstructure, and finishing works for both 7-story buildings.
- Supervising daily site operations and ensuring full compliance with project specifications, quality standards, and safety regulations.
- Leading and coordinating engineering teams, site supervisors, subcontractors, and labor forces for efficient project execution.
- Preparing and reviewing steel reinforcement details, bar bending schedules, and steel cutting lists to optimize material usage and minimize waste.
- Overseeing major structural operations including steel reinforcement, formwork, and concrete works, ensuring quality control and obtaining QC approvals.
- Monitoring project progress, preparing technical reports, and ensuring timely achievement of project milestones for both buildings.
- Coordinating with consultants, the client (NHC), and subcontractors to resolve technical issues and maintain smooth workflow across the two buildings.

Throughout his employment, Eng. Akrem has demonstrated strong leadership, technical competence, and a high level of dedication to delivering quality work within project timelines. He remains a valuable asset to our organization.

We wish him continued success in his future endeavors.

Sincerely,
Eng. Obai Aldo Dashed, Alm-Mutaqadima Contracting
Deputy General Manager.
